| MS PETITIONS<br>Commissioner for Patents<br>P.O. Box 1450<br>Alexandria, VA 22313-1450 | June 22, 2005 |
|--|---------------|

Sir:

It is respectfully requested that the above-identified application, which abandoned on June 8, 2005, for failure to pay the issue fee by that date, be revived under the provisions of 37 CFR §1.137(b).

Petitioner hereby states that the entire delay in filing the required reply (the payment of the issue fee) from the due date for the required reply until the filing of a grantable Petition Under 37 CFR §1.137(b) was unintentional.

The Commissioner is hereby authorized to charge counsel's deposit account No. 25-0120 the 37 CFR 1.17(m) petition fee of \$1500 under fee code 1453.

There is also submitted herewith the required reply in the form of a check in the amount of \$1706 to cover:

- the 37 CFR 1.18(a) issue fee of \$1400 under fee code 1501;

- the 37 CFR 1.18(d) publication fee of \$300 under fee code 1504; and

- the 37 CFR 1.19(a)(1) fee of \$6 for two (2) printed copies of the patent under fee code 8001.

In view of the above, it is respectfully requested that U.S. application No. 10/630,739, which unintentionally abandoned, be revived under the provisions of 37 CFR §1.137(b).

Respectfully submitted,

YOUNG & THOMPSON
